ChristchurchNZ has been working on delivering the city-led economic recovery package in partnership with the Christchurch City Council and its other trading companies, and central government.

This third and final mailer is part of that plan, encouraging local spending and exploration. Within their means, if Christchurch households continue to spend in their community, our economy can bounce back faster.

Ōtautahi Christchurch is a basecamp for exploration and activity. Our revitalised city sits at the heart of a treasure trove of adventure. Canterbury boasts the highest mountains, bluest lakes, and endless coastlines of walkable beaches and surfable breaks. How lucky are we that supporting local can be as simple as exploring our own backyard?

Ovato NZ understands supporting local well. The Christchurch company's loyal-to-local business model led them to donate the printing of this publication, and its distribution to more than 120,000 Christchurch households.

They're also FSC certified and 98 per cent of their waste is recycled. Local and sustainable – that's a win win.

This mailer is stacked with deals and discounts from local businesses. Don't miss this opportunity to explore our city businesses and support them through tough times. Get out there, get spending, and let's get through this together.

Christchurch ADVENTURE PARK

Ok guys, newsflash - Christchurch is home to both the longest zipline in New Zealand, and the largest mountain bike park in the Southern Hemisphere. And they're both at the same place - Christchurch Adventure Park. Epic.

This place is more than double the size of Hagley Park, sprawling across a huge Port Hills valley accessed by walking tracks and a high-speed chairlift. The zipline tour includes four epic rides, and mountain bikers can tear up more than 50 kilometres of downhill trail.

Still not enough to entice you? Christchurch Adventure Park also has a fully licensed restaurant and pizzeria. So even if adrenaline hunting isn't your cup of tea, perhaps a pint and a pizza might be.

Christchurch Adventure Park is just off Worsleys Rd in between Cashmere and Westmorland, an easy 20-minute drive from the centre of town.
